

Dear Store Manager/Owner,

We are big fans of **MagNoodles** and would like to request your store to carry it! I shop at your store often and would love the convenience of buying this healthy, delicious, 100% certified organic pasta from your establishment.

MagNoodles was created by a Mom who wanted her children to eat more whole grains and vegetables. Highly approved by kids and adults, it's a great tasting alternative to white pasta!!

For more information, please email: mrsagnoodle@magnoodles.com or go to their website at <http://www.MagNoodles.com>.

Your loyal customer,
